

TEENS

Lopez Library Summer Reading & Activity Challenge!

Here's how it works:

To participate and receive prizes, submit your reading & activity log to the Lopez Public Library by August 21st. There is no cost and no registration required to participate. Any teen who reads at least 3 books and does 2 activities will receive a completion prize. More reading and activities qualifies you for higher-value prizes.

What counts as a book? Any book at your reading level: e-book, audio-book, paper book; any genre including graphic novels – In other words, if it is a book, it counts!

What counts as an activity?

We encourage you to do what interests you, is educational, and/or helpful to your family or community. Using e-resources also counts as an activity that you can log. See the list on the back for some recommended activities. Write down each hour that you do an activity as a separate line.
