

## Compassion #1

**Adam's Apples** - *Foreign* - A preacher works with convicts to help with things around his rural church. A Neo-Nazi is assigned to the church and preacher. When the preacher asks him what he would like to do, he answers sarcastically, "Bake a pie". The preacher takes him at his word and assigns him an apple tree to take care of. The Neo-Nazi decides to shake up the preacher's world.

**Any Human Heart** - *Drama* - Matthew MacFadyen, Jim Broadbent. "Every life is ordinary and extraordinary. Logan Mountstuart's is a rich tapestry of both. Experience Logan at different points in his life in this provocative glimpse at one man's quest for glory and bliss. Any Human Heart is the story of a full life, lived with passion; expansive, rich, unsentimental, comic, and profoundly moving."

**Autism Is A World** - *616.85 AUT* - Sue Rubin is autistic but was labeled for years as retarded. This is her story and about how she functions as an adult and as a college student.

**Black Girl - with short Borom Sarret** - *Foreign* - In a New Wave style, this is a story of exile and despair. Decolonization has never happened.

**Classical Baby: The Music Show** - *J780.83 CLA* - The animal orchestra is warming up and the animals in the audience are buzzing with anticipation about the musical program featuring Tchaikovsky, Bach, Mozart, Copland, and many other great classical composers. "TV-Y".

**Con-scious-ness and It-s Im-pli-ca-tions** - *153 ROB* - Lecturer, Daniel N. Robinson. Twelve lectures presenting different perspectives on consciousness. The Great Courses series. Comes with two course guidebooks. The Great Courses.

**Consider The Conversation: a Documentary on a Taboo Subject** - *306.9 CON* - "Motivated by their personal experiences with loss, two long-time friends -- one a hospice worker and the other a State Teacher of the Year -- present a powerful and inspiring film on the American struggle with communication and preparation at the end-of-life. "Consider the Conversation" examines multiple perspectives on end-of-life care and includes interviews with patients, family members, doctors, nurses, clergy, social workers, and national experts from across the country"--Container.

**{The} Emerald Forest** - *Adventure* - An engineer searches for ten years for a lost son in the Brazilian rainforest. When he finds him, things are not as he expected. Lives, perspectives and love shifts. Who needs rescued? What is civilization? (from John Boorman)

**The} Fire Next Time, A Town Divided by Conflict** - *307.76 FIR* - An area in Montana has been under great stress from conflict between groups of people who can't cope with the economic and other changes in their area. So, the blame game starts and people

are name-calling and threatening. The future of the community is threatened by discord and lack of respect among members of the community. So, was a death in the area from one of those who threatened? Are children in the community safe? What happens next?

**Ghost Dance, 1877-1893** - 978 WAY - Originally produced for television broadcast on the program The American experience in 1995. Narrated by Russell Baker ; featuring the voices of F. Murray Abraham, Philip Bosco, J.D. Cannon, Sam Elliott, Rodney Grant, Graham Greene, Holly Hunter, Gene Jones, Amy Madigan, E.G. Marshall, Frances McDormand, Matthew Modine, Chris Murney, George Plimpton, Ving Rhames, Frances Sternhagen, Wes Studi, Sheila Tousey, John Trudell, Eli Wallach, and M. Emmet Walsh. Presenter, David McCullough. "Chronicles the oppression of the Native American tribes that occurred in the wake of the Battle of the Little Big Horn; the surrender and last days of Crazy Horse and Sitting Bull; the rise of the heartbreaking Ghost Dance religion; and the last terrible massacre at Wounded Knee."

**Investigative Reports: Kids Behind Bars** - 364.36 KID - "A look at juveniles serving time in jail, many who have been tried as adults and/or serving lengthy sentences." ~ Lib website.

**Jane Goodall, Reason For Hope, A Spiritual Journey** - 590.92 GOO - c1999. General Documentary. Narrator, Harrison Ford; featuring Jane Goodall.
