-This April was a slow month for library visits, but circulations are continuing to be at all-time high.
-Lou and the staff continue to look at ways in which a levy lid lift would impact the library.
-Malia Sanford and Lou continue to work on the seminars for the Smart Spaces Grant. At this stage in the grant process, they are working on gathering patron feedback regarding library spaces.
-Programs for April had good numbers. Better numbers are expected for May and June as several programs are planned for this month. These include the summer reading program, summer library camp, and other speakers and workshops.

Old Business:

Levy Lid Lift: Bob Buchholz presented some information about the cost and revenue associated with a levy lid lift at $45.00 per $100,000 collected from property tax vs. $50.00 per $100,000 collected. This information included an estimates based on a 4% rate of inflation and a 1% increase in new buildings and adjusted appraisals. These estimates gave a financial picture of the amounts needed to continue to run and improve the library, while also presenting an opportunity to provide more hours and programs for the community. Lopez Library receives the least amount per $100,000 than any of the 2 other libraries in the San Juan Islands. After a prolonged discussion regarding the justification of pursuing a lid lift, and the way in which the money would be spent, the Board agreed on a definitive plan going forward.

MSP A motion was made by Marilyn Berger and seconded by Constance Euerle to pursue raising the levy to $49 per $100,000. This motion was not passed.
