

Position Title:	Book Doctors (Mending)
Purpose:	The goal of this position is to mend books to extend their shelf lives. Mending books will save us from having to purchase new copies. Success is a damaged book repaired and returned to circulation.
Position Summary:	Book Doctors are trained by Leader Colleen Thomas to repair books.
Benefits:	Volunteers will have the satisfaction of seeing a damaged book repaired and returned to circulation, and saving the library money. They will also learn a valued skill.
Reports To:	Colleen Thomas will provide guidance and support for this role.
Skill Sets:	Detail-oriented, patient, manual dexterity, good hand-eye coordination, experience with lamination a plus, *good job for folks who like to work solo or in small groups, quiet, and who like sitting/stationary work
Commitment:	Colleen usually comes once/month to repair books in a 2-hour period with a group, but she sometimes uses her bimonthly Shelving times to repair. Trained volunteers could do the same.
Times Available:	TBD
Location:	On site
Application:	Online Application or Paper Application
Contact Person:	Claudia at claudia@lopezlibrary.org
